

A big festival

By Sipha

Dear Lisa,
hey dear, how are you? I hope you are fine. I have just read your letter and it is so amazing to know that there is someone outside thinking about me.

In my country there are a lot of activities taking place like celebrating some ceremonies where we all come together and celebrate. We also have a music festival where people in different parts of the world come to celebrate, known as Bushfire Festival.

I hope to hear from you soon.
